

# Tamil Nadu Call to Action

Millions of people from around the world have called on Sri Lanka to seek a negotiated political solution.

***But what has come out of this until now? The genocide still continues.***

The Government of India, the only entity that can politically intervene to ensure an immediate cease-fire, continues to turn a blind eye. How can we let the silence continue, in the face of a genocide?

CanadianHART has therefore taken the initiative to call on all our people spread far and wide around the globe to join us in calling on our brothers and sisters in Tamil Nadu, India to immediately act to ensure that the Government of India intervenes immediately to bring a halt to the genocide of Tamils.

You can visit our website at [www.haltgenocide.org](http://www.haltgenocide.org) for more contacts.
